Keaton

# About copyright:

About copyright:

Copyright is the legal right of a country that grants the creator of an original work exclusive rights to its use and its distribution usually for a limited amount of time. (4,5)

Copyright law is when you can not copy something from a friend,  
Making a copy and then selling it, (1,5)  
Using the software on a network,  
Renting the software without the permission of the copyright owner.

Copyright is a computer law which was created by the united states congress. **Introduced in the united states Senate as S.22 by [John Little McClellan](#) on January 15, 1975.** the copyright law has been around for a very long time. (1,6)

# Copy right:

Copyright is when you try to copy something of your friends when you are not aloud.
